Purpose: “The TDCC shall serve in an advisory capacity to all WDB’s within the region on educational issues.”

“In addition, as an advisory group to the local WDBs, the regional TDCC will coordinate with other educational entities in guiding career development programs and career pathways, such as high schools, community colleges, career and technical education, adult education programs, prisoner reentry programs, corrections education, veteran’s programs, and college access networks in support of the WDBs’ mission and strategic workforce development plans. “

February is Career and Technical Education Month in Michigan.
