Join the ERN USA Employer Resource Network®

Membership slots open & Success Coaches ready to assist

Employer-led supportive employment providing employees with **confidential** assistance in conquering any challenge or goal to increase their stability.

Success Coaches usually available at the workplace, now meet employee needs remotely

- Are your employees working at your company's location?
- Are your employees working from home increasingly or for now?
- Do you want to keep employees engaged while temporarily laid off?
- Is your HR department taxed or in limited capacity to meet employee needs?
- Would connecting with a resource expert reduce employee stress?

Access to resources when they need it most.

- Housing
- Food
- Transportation
- Childcare
- Medical treatment
- Recovery services
- Counseling referral
- Legal assistance

Application assistance:

- Healthcare
- Health and Human Service funds
- Community resources
- Unemployment benefits
- Emergency relief

Financial help to protect your greatest assets.

- Could your employees use help budgeting their stimulus check?
- Might they be eligible to receive special funds and services?
- Do they need assistance in applying for unemployment?
- Is applying for online government benefits difficult for them?

Employees can come out of any challenge a winner - give them the tools they need to succeed!

How to Prevent Catching & Spreading **Coronavirus**

Follow these tips to prevent yourself from catching coronavirus, or from potentially spreading the virus to others.

How to Prevent Catching The Virus

Wash your hands often, for at least 20 seconds; use hand sanitizer when washing is unavailable.

Avoid touching your eyes and mouth with unwashed hands.

Avoid close contact with people who are sick; follow social distancing guidelines.

Cover your coughs and sneezes with a tissue and throw out the tissue.

How to Prevent Spreading the Virus

Disinfect surfaces that you touch. Wash your hands often, for at least 20 seconds.

Avoid close contact with other people; wear a facemask to cover your coughs and sneezes.

Stay at home while you are sick; quarantine yourself to a different room.

Monitor your symptoms and seek medical attention if your symptoms worsen.
