

Technical Assistance RFP 2024-1 WIOA Adult and Dislocated Worker

Question Received: I am reaching out because we see the open RFP with a letter of intent due by March 1th. In the RFP, it does not list that the LOI is mandatory. We are interested in submitting but were unsure if we were eligible.

Response: The Michigan Works! Southwest Administrative team does agree that the word mandatory is not used in the 2024-1 RFP, with regard to Notice of Intent to Bid submission. MWSW does request that all bidders submit a letter of intent prior to proposal. In alignment with the 2024-1 RFP, on page 9, proposals must be submitted by 4:00 p.m. EST on Friday, April 12, 2024.
